**ADJUSTMENT SHELF HEIGHTS**

To make all the products fit on the Endcap, change the height of the three shelves by taking them out and placing them back in:

- Place the **first shelf** in the **1st** hole (counting from the top).
- Place the **second shelf** in the **6th** hole (counting from the top).
- Place the **third shelf** in the **9th** hole (counting from the top).
